

COACHING PROGRAMS

Exude Confidence
Project Competence
Develop Influence

You have high potential and brilliant ideas. But do your words carry the weight to influence others? Does your presence and delivery make a powerful impact?

My 1-1 coaching programs help you communicate confidently on stage, off-stage and in between stages; realize your potential and step into the powerful, influential person you were meant to be.

Use Coaching to:

- Craft engaging content for; sales meetings; pitching; interviews; formal and formal presentations; networking & interpersonal communication.
- Polish delivery skills to project total confidence with body language and vocal tone
- Uncover and proudly express your personal brand and your differentiators
- Improve buy-in and trust in personal relationships by learning brain science-based rapport building techniques

Some Coaching Outcomes:

- Deeper understanding of colleagues' needs, triggers and communication styles
- Clearer and more engaging content and delivery style
- More assertive and confident communication and executive presence
- Solid value proposition & ways to share it
- More respect, trust and buy-in from colleagues and customers (internal and external)

“There’s always room for improvement, it’s the biggest room in the house.”

Louise Heath Leber

What people are saying

“Robyn is phenomenal. Robyn has not only helped me to adjust my communication style but my mindset. Her process and tactical guidance have made a huge difference. After a month and a half of working together, I nailed a huge project, I asked for and earned a promotion! As I start my new role, we have expanded our work together and I’m so happy to have Robyn in my court!”

” - C.Costas American Express

“Robyn is fantastic – her focus on both presentation style and content is what differentiates her from other communications coaches and she’s a true expert in her field.”

- Carol, CFA & Business Coach
